BOB O'CONNOR

Executive Director

QUT Graduate School of Business
Queensland University of Technology

Bob O'Connor is currently the Executive Director of the QUT Graduate School of Business at the Queensland University of Technology.

He holds an undergraduate degree in Applied Science and postgraduate qualifications in Information Technology, Business and Law.

Bob began his career in 1980 in the Australian Public Service, moving to the private sector in 1983 with Hewlett-Packard and Computer Sciences Corporation where he worked in a range of marketing and management roles. In 1997 he moved to Concept Systems International, where as General Manager he led the dynamic growth of this software company that listed on the Australian Stock Exchange in February 2000.

Bob joined QUT in 2002 as a Business Manager and later took the role of General Manager and Company Secretary of QUT Enterprise Holdings, the university's holding company for commercial ventures. In 2006 as the inaugural Director of Corporate Education he commences building the Business School executive education practice. Since 2011 Bob had led the QUT Graduate School of Business, a multidisciplinary School that specialises in MBA and executive development programmes for corporate and government organisations.
